

## TECHNICAL SPECIFICATIONS

### ECCODAL 50

#### TECHNICAL INFORMATION

| SPECIFICATIONS                 | DOC.    | UNIT          | VALUE    | MIN          | MAX    |
|--------------------------------|---------|---------------|----------|--------------|--------|
| Compressive strength           | PTV 828 | kN<br>ton/sqm | -<br>-   | 110<br>228,3 | -<br>- |
| Deformation (40 kN)            | PTV 828 | %             | -        | -            | 1,8 %  |
| Tensile strength               | PTV 828 | kN/m          | -        | 1            | -      |
| Connection type<br>Connections | PTV 828 | -<br>pcs      | fix<br>8 | -            | -      |

#### OTHER SPECIFICATIONS

|                                |                   |
|--------------------------------|-------------------|
| Composition                    | PE (polyethylene) |
| Weight per tile                | 3 904 g           |
| Length (including connections) | 80 cm             |
| Width (including connections)  | 80 cm             |
| Height                         | 5 cm              |
| Cell thickness                 | 0,35 - 0,40 cm    |
| Colour                         | green or black    |

## ECCODAL 40

### TECHNICAL INFORMATION

| SPECIFICATIONS          | DOC.    | UNIT          | VALUE    | MIN          | MAX    |
|-------------------------|---------|---------------|----------|--------------|--------|
| Compressive strength    | PTV 828 | kN<br>ton/sqm | -<br>-   | 110<br>228,3 | -<br>- |
| Deformation (40 kN)     | PTV 828 | %             | -        | -            | 2,1 %  |
| Tensile strenght        | PTV 828 | kN/m          | -        | 1            | -      |
| Type of joint<br>Joints | PTV 828 | -<br>pcs      | fix<br>8 | -            | -      |

### OTHER SPECIFICATIONS

|                                |                   |
|--------------------------------|-------------------|
| Composition                    | PE (polyethylene) |
| Weight per tile                | 3 172 g           |
| Length (including connections) | 80 cm             |
| Width (including connections)  | 80 cm             |
| Height                         | 4 cm              |
| Cell thickness                 | 0,35 - 0,40 cm    |
| Colour                         | green or black    |

ECCOdal is a registered trademark in class 17, 19 and 35.  
ECCOdal grass grids are delivered on disposable pallets (81 x 81 cm)
